

TIME FOR REPAIRS?

For over 30 years New Modern Concepts has helped producers repair and remodel swine confinements to help extend the lifespan of the facility, increase efficiency and add more to their bottom line.

From “end of turn” maintenance and repairs to a complete remodel or retrofit, our experts are ready to help. New Modern Concepts will assess the structure, slats, frame, ceiling, controller systems, feed systems, inlets, gating and chutes and provide you with an estimate and plan to get your barn back to new again. Interested in a new build? Let us help you compare per pig space costs for both a remodel and a new build.

Owners, contractors and caretakers alike benefit from a well-maintained and efficient building. Book your remodel now — our dependable crews work fast to limit your down time between groups.

Let us make your 10, 15 or 20 year facility like new again!
